## Return to School Protocol for student/staff without COVID 19

- If a student develops a fever of 100.0 degrees and above or develops symptoms of sickness, a parent will be contacted, the student will be isolated and the student should be picked up as soon as possible by the parent/guardian or designated person. A student may return to school with a Doctor's release, or a negative COVID 19 test or 10 days have passed since symptoms began and at least 24 hours have passed since recovery defined as resolution of fever without the use of fever reducing medications and improvement in any respiratory symptoms (coughing, shortness of breath).

Student Name \_\_\_\_\_ Date \_\_\_\_\_

To return to school a student must have a

\_\_\_\_\_ Doctor's release **or**, \_\_\_\_\_ Negative COVID 19 test **or**,

\_\_\_\_\_ 10 days have passed since symptoms began and at least 24 hours have passed since recovery defined as a resolution of fever without the use of fever reducing medications and improvement in any respiratory symptoms (coughing, shortness of breath).

\*\*\*\*\*

- If a student has **known, sustained close contact (defined as within 6 feet for at least 15 minutes)** with an individual that has tested positive for COVID 19, they should stay home, self monitor for symptoms, and be tested. The individual should not return to the school until they have completed a 14 day quarantine. Students and/or parents should notify the school so that teachers can be notified of a student being placed on a temporary distance learning model. The school may be contacted by local health officials if deemed necessary for contact tracing. Any transition of a class, building site or the district to distance learning would be made in conjunction with the local Health Department. Student

Name \_\_\_\_\_ Date \_\_\_\_\_

To return to school a student must have:

\_\_\_\_\_ Completed a 14 day quarantine
